Call For Papers

ICGEC2026

18th International Conference on Genetic and Evolutionary Computing

November 4-6, 2026, Taichung, Taiwan

Submission Deadline 30 June, 2026

Topics of Interest

✓ **Genetic & Evolutionary Computing**
- Genetic Algorithms and Evolutionary Strategies
- Representation, Encoding, and Fitness Design
- Swarm Intelligence and Nature-Inspired Optimization
- Genetics-based Machine Learning and XAI

✓ **Fuzzy Systems & Hybrid Intelligence**
- Fuzzy Logic and Interpretable AI
- Hybrid Intelligent Systems
- Fuzzy Modeling and Forecasting
- Uncertainty in AIoT

✓ **Distributed Computing & Big Data**
- Distributed and Evolutionary Computing
- Grid and Parallel Architectures
- Big Data Analytics and Data Mining
- Security and Privacy

✓ **Computer Vision & Pattern Recognition**
- Image and Video Analysis
- Pattern Recognition and Deep Learning
- Biometrics and Surveillance

✓ **Smart Healthcare & AIoT Applications**
- Intelligent Healthcare Systems
- AI + IoT in Medicine
- Explainable AI in Healthcare

Registration Fees

Onsite Presentation	$550
Onsite Presentation (Student)	$500
Online Presentation	$450
Additional Paper (s) (without Banquet)	$400
Additional Page	$50/page
Extra Banquet Ticket	$85/person

Important Date

30th June, 2026	15th July, 2026	30th July, 2026	30th August, 2026	4-6 November, 2026
Paper submission deadline	Acceptance notification	Early bird registration and Camera-Ready Papers dedline	Regular registration	Conference date
